LETTER OF RECOMMENDATION

TO WHOM IT MAY CONCERN,

Arpan Maiti

This is to formally recommend Arpan Maiti, who participated in the CodeNova Internship Program in the domain of Full Stack Development, for a duration of 4 Weeks, from 10 October 2026 to 6 November 2026.

During the program, the student had the opportunity to strengthen their technical knowledge, work on assigned tasks, and gain practical exposure to relevant concepts. They demonstrated a positive approach to learning, an eagerness to develop new skills, and a willingness to take on challenges.

The student also took part in program activities and had opportunities to collaborate with fellow participants. We appreciate their involvement and commitment to learning, and are pleased to recommend them for future academic, professional, and learning opportunities.

DOMAIN: Full Stack Development | DURATION: 4 Weeks
